Dr. Walter DUNNHAUPT

Reference: MGHA-11651, 10 August, 1951

1. The subject of the above reference was given as Dr. Walter DUNNHAUPT, Born circa 1901, in or near Magdeburg/Saxony, living in August, 1951 at Pascherstrasse 62, Lorrach, Baden and a trace request was sent to FOB for traces also with URSWING. Both FOB and URSWING replied negatively. We had no further interest in subject and the MGHA was destroyed and all information carded.

2. Since we are now extremely interested in Dr. Walter DUNNHAUPT, Chemist, Born 22 April, 1900, in Koethen/Anhalt; living in Lorrach, Basel-erstrasse 61 who appears to be identical with above mentioned DUNNHAUPT, we are very anxious to determine the reason for the original trace request. Any information you may have and also on Dr. Walter DUNNHAUPT would be appreciated.
